FINANCIAL POLICY AGREEMENT for _____

Print Patient Name

We want to prevent any misunderstandings regarding our office policies, therefore we request that you read and sign this explanation of our policies. Please feel free to ask if you have any questions.

Merry Dental Care Center, PA using the insurance information verified by the patient at their appointment will submit the initial claim to that carrier for each visit, as a courtesy. Insurance coverage is a contract between the insurance carrier and the policy holder. Verification of coverage and eligibility is the patient's responsibility and the patient is responsible to Merry Dental Care Center, PA for all charges incurred. (Merry Dental Care Center, PA will use the birthdate rule for submission of insurance claims with dual coverage carried by separate persons. For patients who are the policy holder on two policies, Merry Dental Care Center, PA will submit the claim on the longest held policy and the secondary forms will be given to the patient for submission.)

All accounts are due 60 days from the date of service. After 60 days balances are subject to a late payment fee of 1.5%/month. Patients with a balance older than 90 days, who have not confirmed a payment arrangement, will be placed on a cash only basis. Merry Dental Care Center, PA may be unable to provide future dental services except for dental emergencies with prepayment of charges. After 90 days all accounts are considered in default. The responsible party agrees to pay all collection costs and reasonable attorney fees incurred in an attempt to collect on this or any future account balances. (Payment options are available upon request.)

Patients occasionally need to miss appointments without advance notice. For this reason we will forgive a single missed appointment. After that, there will be a cancellation fee of \$50/hour for each instance of appointments missed without one business day (24 hrs) notice. This charge is the patient's responsibility and will not be billed to insurance. The office reserves the right to limit or deny appointment privileges to patients with more than 3 occurrences in a 24 month period.

Merry Dental Care Center, PA offers a bookkeeping savings of 5% for payment in full, made by check or cash at the time of service. (By law, this cannot apply for services submitted to insurance.)

In the case of children with custodial arrangements, the parent or guardian who signs the financial agreement will be responsible for all charges incurred.

I have read and understand the financial policies described above.
